From: Trooper David M. DiCicco #3782

Subject: Interview of Paul O'Keefe (D.O.B. (c)) at 1 Meadows Avenue, Canton, Ma 02021 relative to the investigation into the homicide of his brother, John O'Keefe.

Case: 2022-112-33

1. On Sunday, January 30, 2022, at approximately 1:00pm, I, Trooper David DiCicco #3782, was present at 1 Meadows Avenue in the Town of Canton. The residence is home to homicide victim, John O'Keefe, as well as his niece, (c) (D.O.B. (c)), and his nephew, (c) (D.O.B. (c)). I had an appointment to meet with Paul O'Keefe, John's brother, and ask some questions about the relationship between John and Karen Read. Investigators were also looking for someone in John's family to possibly provide the passcode to his phone.

2. I knocked on the door and was greeted by Paul. The house was full of family and friends. Paul showed me upstairs to a quiet room where we would talk. Paul couldn't remember the last time he had seen John, but it was not the night he died. Paul told me that (c) was home that night, but their nephew (c) was sleeping at a friend's house. Paul described the relationship between John and Karen as up and down. He said there were verbal arguments between them, particularly when alcohol was involved. Paul said he was not aware of any past physical violence between John and Karen.

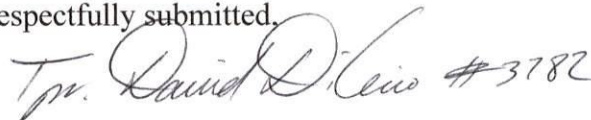

3. Paul told me that John and Karen had dated back in 2004, and then went separate ways. He said that they got back together around March 2020 and have dated since. He could not provide any information about the night of Friday the 28th or the morning of Saturday the 29th, but he told me to ask Jen McCabe about the life360 application on her phone because it had minute to minute information. Paul said the house at 1 Meadows Avenue, Canton had a front door Ring camera on the door closest to the driveway and also a camera in the driveway above the garage doors. Paul told me that he did not have access to the Ring cameras and it was likely done through John's phone. Paul did not know the passcode to John's phone or the login information for Ring. Paul said (C) may know and that he would bring her upstairs when we were done talking.

4. I asked Paul if he had been told anything about the investigation and he said he had heard we were looking at Karen's car. Paul said he went to the hospital to view John's body and it looked like John had been hit by a car.

5. I offered Paul my condolences on behalf of the Norfolk DA's office and asked if he could bring (C) up to talk for a few minutes. Paul asked if he could sit in on the conversation and I told him I would prefer it if he did so.

Respectfully submitted,
